Pacific University Scott Hall Renovation | Forest Grove, OR

*Great ratio of text + images!*

*Great use of white space at the top!*

**Mahlum | Completed 2015**

**Project Description**

Underutilized storage space in Scott Hall was reimagined as a block of classrooms with lounge spaces for student use, along with small breakout pods and a conference room. With minimal natural light reaching the interior, bright finishes and furniture bring life to the space and reflect the Polynesian culture that is prevalent on campus.

**Roles & Responsibilities**

Lead Interior Designer; involved from design development through construction. Responsible for finish selections, FF&E, graphic design, client presentations, and construction administration.
