

# LINDA BOERSMA

## ADMINISTRATIVE SPECIALIST

Linda joined the ID8 Team in June of 2022 and has been an incredible asset as she helps manage the back-end financial processes for the firm.

Linda and her husband, Gene, crop farm near Pipestone, MN and also have a small cow/calf beef herd. After raising her 4 children, she returned to the workforce in the financial and office support field.

She brings with her over 27 years of experience in various financial roles and is excited to now apply all of that insight into the business of design.

### PROJECT ROLE

As ID8's Administrative Specialist and in addition to overall operations support for the firm, Linda supports the team managing billable hours and running time audit reports to help inform our project management workflow to help keep us on budget which is good for everyone!
